COMPLIANT
(ROUND HANDRAIL)**

SUPERIOR PERFORMANCE IN STRENGTH AND SAFETY

Use with wood, composite, vinyl or Fortress railing metal posts.

Anyone Can Install

No specialized labor or equipment is required for installation. So don't worry about welding, threading or other complicated techniques.

ADA Compliant

Make your stairs, ramps and walkways conform to the railing requirements of the Americans with Disabilities Act (ADA). Our cost-effective, round handrails are the safe option.

Time-Saving Installation

Quickly and easily assemble our versatile handrail systems. They are the perfect solution for new structures or retrofit projects.

KEY FEATURES & BENEFITS

EASY INSTALLATION | Engineered for quick and easy installation with brackets and adapters that allow connections at virtually any angle.

DESIGN OPTIONS | Our smooth and continuous top rail is available in both a square and round design with multiple color options that work with wood, composite, vinyl, aluminum or steel railing systems.

LOW MAINTENANCE | Our powder-coated finish resists corrosion, cracking and peeling — plus, it offers superior color retention, preserving a like-new look for years to come.

SAFE | Increase the safety of new or existing railing with the superior durability and versatility of Fortress handrails, including our Americans with Disabilities (ADA) compliant round handrail system.

WARRANTY

We stand by your side and behind our handrail systems with a lifetime warranty for our round ADA handrails and a 15-year warranty for our square handrails and a hassle-free claims process. Visit FortressBP.com for complete warranty details and exclusions.
